17th September 2024

Dear Navigators Parents/Carers

SCIENCE WORKSHOP

We are pleased to say that we have had a great response for this specialist STEM team to spend a day with Navigators on 4th October. The children will spend the day completing tasks with a space theme. The session is called 'Mars Mission' and will last all day.

We ran this workshop two years ago and it was a great success. The children have the opportunity to link their knowledge of Science, Technology, Engineering and Maths to solve problems as a team.

We request a voluntary contribution of £24.00 for the cost of the workshop.

Please pay by Parentpay £24.00 for this workshop. We request the reply slip below is returned to school by **Friday 26th September**.

Thank you for your support.

Yours sincerely

Mrs R Keitch
Headteacher
