Dear Adventurers Year 3/4 Parents/Carers

SWIMMING LESSONS

The curriculum requirement for the end of Key Stage 2 states that children should be able to swim 25 metres unaided and without stopping both on their front and back. We are very aware that many of our children already meet this criteria and will therefore not require additional swimming lessons through the school.

We therefore need to complete a register in order to determine the number of children we need to organise lessons for. Please can you complete the attached slip and return it to the School Office by **Friday 27th January.**

Once numbers are known and lessons organised, I will send out a letter with further details. Thank you for your support in this matter

Yours sincerely

Mrs R Keitch
