26th September 2022

Dear Navigators Parents/Carers

SCIENCE WORKSHOP

We have arranged for a specialist STEM team to spend a day with Navigators on Thursday 6th October. The children will spend the day completing tasks with a space theme. The session is called 'Mars Mission' and will last all day.

The children will need to link knowledge of Science, Technology, Engineering and Maths to solve problems as a team.

We have managed to secure a small school discount and the PTA have very kindly agreed to subsidise this experience by just over £5.00 per pupil. This brings the cost to parents down to £18.00 per pupil for what will be a very full day of activities which the children would not be able to experience as part of their usual lessons

We request a voluntary contribution of £18.00 towards the cost of the workshop. Please note that the school can only request voluntary contributions and that if parents are unable to meet the request for payment, the event will not take place.

In order to make sure that the trip is viable and to confirm our booking, we request the reply slip below is returned to school by **Monday 3rd October**.

Yours sincerely

Mrs R Keitch
Headteacher

SCIENCE WORKSHOP

Child's Name:

Please tick one box

• I give permission for my child to attend the workshop on Thursday 6th October.

• I have paid by my ParentPay account £18.00
