2nd October 2020

Dear Class Four Parents and Carers,

As you know, the children are taking part in the Tendring Junior Ambassador project this term, along with other local schools. We usually mark the end of the project with a showcase event attended by all participating schools. Obviously, we are unable to do so this year due to the current restrictions.

Instead, a local digital learning company, Signals, has been commissioned to film aspects of the project in schools in order to produce a short film which will be made into a CD and shared with each participating school.

We need to ensure that you are happy for your child to be filmed taking part in the various activities that form the programme.

Please complete the form below and return to the school office by Friday 9th October at the latest.

Kind regards

Mrs R Keitch, Headteacher

Tendring Junior Ambassador Filming Permission

Name of child/ren:

I consent to my child participating in the filming by Signals Essex Media Centre as part of the Tendring Junior Ambassador project. I understand that this film will be distributed to participating schools and may also be used as promotional material by Tendring District Council.
