IMPORTANT HEALTH AND SAFETY NOTES

Please read carefully before applying:

Collecting children from clubs

Due to circumstances beyond our control, clubs may have to be cancelled from time to time and we appreciate your co-operation when this happens. We will send a text message if a club has to be cancelled. Your child will be kept at school until you or your nominated person arrives to collect them. A child will only be allowed to walk home if you have given permission.

Earrings and Hairbands

Essex County Council safety regulations are also being enforced with regard to children and earrings in PE or games lessons. These state that no earrings whatsoever may be worn for games and PE, so children will have to remove their studs. Please would you send in a small named container to keep them in. The use of micropore is no longer permitted. It is recommended that if your child has their ears pierced this is done at the *beginning of the school summer holidays*.

Long hair should be tied back using only soft hair bands or grips (i.e. no hard plastic items).

Absence from Clubs

If your child will not be attending an after-school club session, please send advance written notice (where possible) to the club leader or leave a message with the school office staff.
